

Coaches and Parents:

Coliseum is doing registration a little different, we are doing online registration!!!! It's very simple and I'm going to give you step by step to follow....

1. Go to the Coliseum website, which is coliseumsc.com
2. Under news look for the link that states –all players should register online for RSSC indoor session, click on that.
3. Once again look for where it says register online for RSSC; you will see a link for sports sign up registration, click on that.
4. A big box appears that say login and register, click that.
5. Once you get to the next step you need to click on first time? And click on create an account.

At this point, type in your email address and make a password.

6. Once that is done you will create an account (this is where it will ask you your name, address and phone number). Click next
7. At this point if you are a coach you register yourself, all you need to do at this point is click what your role is example : coach, ass't coach or manager, then pick the division (which everything is set up for you, if you do not see your division or your team please call me 534-2930) after that you need to pick your team, which again everything is set up already, you just need to click which team you are...then you check out all the way through and you will get a conformation..
8. Parents needing to register a child ...you go to where is says register a child..it will ask you, name of child, dob, grade, medical issues, once that it done you need to save it.

9. A blue box will appear right next to your child's name, it says register now, just click on that.
10. Emergency contacts comes up, fill that out and click continue.
11. Now at this point you choose what division, team and jersey info, then press continue.
- 12. *Very important the next page is Consent, you must agree or you can not register your child..***
13. Once you agree you are at check out, please check out and confirm order (you will see that an amount is due and that will be the responsibility of the coaches to collect the fee)..You then will receive an email that your child is now registered.
14. Please make sure for any new players you get a **copy of the child's birth certificate and don't forget we need a picture of the child**, a couple ways to do it...take a team picture, please include names or have the parents email a picture to shari.conestabile@risingstarssc.com..Also you could always collect hard copy photographs and give them to me to drop off to the rising stars.
15. The Last thing for the coaches to do, is to please email a copy of who is going to be on your team...I do have to make sure everything is correct before I send it to Rising Stars and I want to make sure that everyone is registered before the final roster.

Any questions please call Joann, Home 735-3170 or cell 534-2930 or email me at
